Important Information About the Transaction and Where to Find It

In connection with the proposed transaction among The Walt Disney Company (“Disney”) and Twenty-First Century Fox, Inc. (“21CF”) and TWDC Holdco 613 Corp. (“New Disney”), New Disney has filed with the SEC a registration statement on Form S-4 (File No. 333-225850) (as amended, the “Form S-4”), which was declared effective by the SEC on June 28, 2018. The Form S-4 includes an updated joint proxy statement of Disney and 21CF and also constitutes a prospectus of New Disney (the “updated joint proxy statement/prospectus”). The updated joint proxy statement/prospectus was mailed to the respective stockholders of Disney and 21CF on or about June 28, 2018. This updated joint proxy statement/prospectus replaces the definitive joint proxy statement/prospectus which Disney and 21CF previously filed with the SEC on May 24, 2018 and mailed to their respective stockholders on or about June 1, 2018 (the “original joint proxy statement/prospectus”). 21CF will file with the SEC a registration statement for a newly formed subsidiary (“New Fox”), which is contemplated to own certain assets and businesses of 21CF not being acquired by Disney in connection with the proposed transaction. 21CF, Disney and New Disney may also file other documents with the SEC regarding the proposed transaction. This document is not a substitute for the Form S-4, the updated joint proxy statement/prospectus or the registration statement of New Fox or any other document which 21CF, Disney or New Disney may file with the SEC. **INVESTORS AND SECURITY HOLDERS OF 21CF AND DISNEY ARE URGED TO READ THE REGISTRATION STATEMENTS, THE UPDATED JOINT PROXY STATEMENT/PROSPECTUS AND ALL OTHER RELEVANT DOCUMENTS THAT ARE FILED OR WILL BE FILED WITH THE SEC, AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THESE DOCUMENTS, CAREFULLY AND IN THEIR ENTIRETY BECAUSE THEY CONTAIN OR WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION AND RELATED MATTERS.** Investors and security holders may obtain free copies of the registration statements and the updated joint proxy statement/prospectus and, when available, other documents filed with the SEC by 21CF, Disney and New Disney through the web site maintained by the SEC at www.sec.gov or by contacting the investor relations department of:

Cautionary Notes on Forward Looking Statements

This communication contains “forward-looking statements” within the meaning of the federal securities laws, including Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In this context, forward-looking statements often address expected future business and financial performance and financial condition, and often contain words such as “expect,” “anticipate,” “intend,” “plan,” “believe,” “seek,” “see,” “will,” “would,” “target,” similar expressions, and variations or negatives of these words. Forward-looking statements by their nature address matters that are, to different degrees, uncertain, such as statements about the consummation of the proposed transaction and the anticipated benefits thereof. These and other forward-looking statements are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed in any forward-looking statements, including the failure to consummate the proposed transaction or to make any filing or take other action required to consummate such transaction in a timely matter or at all, are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed in any forward-looking statements. Important risk factors that may cause such a difference include, but are not limited to: (i) the completion of the proposed transaction may not occur on the anticipated terms and timing or at all, (ii) the required regulatory approvals are not obtained, or that in order to obtain such regulatory approvals, conditions are imposed that adversely affect the anticipated benefits from the proposed transaction or cause the parties to abandon the proposed transaction, (iii) the risk that a condition to closing of the transaction may not be satisfied (including, but not limited to, the receipt of legal opinions with respect to the treatment of certain aspects of the transaction under U.S. and Australian tax laws), (iv) the risk that the anticipated tax treatment of the transaction is not obtained, (v) an increase or decrease in the anticipated transaction taxes (including due to any changes to tax legislation and its impact on tax rates (and the timing of the effectiveness of any such changes)) to be paid in connection with the separation prior to the closing of the transactions could cause an adjustment to the number of New Disney shares and the cash amount to be paid to holders of 21CF’s common stock, (vi) potential litigation relating to the proposed transaction that could be instituted against 21CF, Disney or their respective directors, (vii) potential adverse reactions or changes to business relationships resulting from the announcement or completion of the transactions, (viii) risks associated with third party contracts containing consent and/or other provisions that may be triggered by the proposed transaction, (ix) negative effects of the announcement or the consummation of the transaction on the market price of 21CF’s common stock, Disney’s common stock and/or New Disney’s common stock, (x) risks relating to the value of the New Disney shares to be issued in the transaction and uncertainty as to the long-term value of New Disney’s common stock, (xi) the potential impact of unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic performance, indebtedness, financial condition and losses on the future prospects, business and management strategies for the management, expansion and growth of New Disney’s operations after the consummation of the transaction and on the other conditions to the completion of the merger, (xii) the risks and costs associated with, and the ability of New Disney to, integrate the businesses successfully and to achieve anticipated synergies, (xiii) the risk that disruptions from the proposed transaction will harm 21CF’s or Disney’s business, including current plans and operations, (xiv) the ability of 21CF or Disney to retain and hire key personnel, (xv) adverse legal and regulatory developments or determinations or adverse changes in, or interpretations of, U.S., Australian or other foreign laws, rules or regulations, including tax laws, rules and regulations, that could delay or prevent completion of the proposed transactions or cause the terms of the proposed transactions to be modified, (xvi) the ability of the parties to obtain or consummate financing or refinancing related to the transactions upon acceptable terms or at all, (xvii) the risk that New Fox, as a new company that currently has no credit rating, will not have access to the capital markets on acceptable terms, (xviii) the risk that New Fox may be unable to achieve some or all of the benefits that 21CF expects New Fox to achieve as an independent, publicly-traded company, (xix) the risk that New Fox may be more susceptible to market fluctuations and other adverse events than it would have otherwise been while still a part of 21CF, (xx) the risk that New Fox will incur significant indebtedness in connection with the separation and distribution, and the degree to which it will be leveraged following completion of the distribution may materially and adversely affect its business, financial condition and results of operations, (xxi) as well as management’s response to any of the aforementioned factors.

These risks, as well as other risks associated with the proposed transactions, are more fully discussed in the updated joint proxy statement/prospectus included in the Form S-4, and will be more fully discussed in the registration statement that will be filed with respect to New Fox. While the list of factors presented here and in the updated joint proxy statement/prospectus included in the Form S-4 are, and the list of factors presented in the registration statement of New Fox will be, considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties. Unlisted factors may present significant additional obstacles to the realization of forward looking statements. Consequences of material differences in results as compared with those anticipated in the forward-looking statements could include, among other things, business disruption, operational problems, financial loss, legal liability to third parties and similar risks, any of which could have a material adverse effect on 21CF's, Disney's or New Disney's consolidated financial condition, results of operations, credit rating or liquidity. Neither 21CF, Disney nor New Disney assume any obligation to publicly provide revisions or updates to any forward looking statements, whether as a result of new information, future developments or otherwise, should circumstances change, except as otherwise required by securities and other applicable laws.
